Jenny P: Can someone type in that name Robert is talking about?

Lisa D: www.geodesic-greenhouse-kits.com

Maria M: Kacper Postawski

Jenny P: thanks maria

Lisa D: My son just reported that we have turkeys on our front lawn!

john t: check out yahoo for the 150 carat all diamond ring

Marsha G: and the sun just intensified as it cleared the eave above my window and poured into the room just as the slide was read about the sun. amen

john t: I love that image of such large close trees on a rustic path

Claire B: A gila woodpecker just crashed into my window trying to say hello!

Joel and Patricia: Phylos

Nancy F: I love this picture Maria.

Wayne: A diamond is crystalized sunlight.

Donna K - in Daniel 3 there is a story of 3 young men who would not worship idols who were thrown into the fiery furnace and they would not burn up. So the king changed his mind and let them live. Sacred Fire?

Doretha S: Being Born in the Etheric/Fire quadrant and being a water sign, makes such sense, how the elements work together.

Marsha G: Regarding the comment about diamonds: how is that unique from what gold is? is it just the same process and unique due to their different frequencies?

john t: I hope whoever acquires the 150 carat laser-cut diamond ring resonates with the purity and divine consciousness to maximize such a wonderful focus, to do for the planet what the hope diamond did not.

Robert B: Mark Prophet would get emotionally fiery.

Marsha G: and a lot of wind will "blow out" a fire !

Robert B: some day I'll have to demonstrate fire building with the bow drill. It takes a lot of intense concentration and work!

Robert B: charcoal filter

Robert B: Use more mulch to protect the rain you get

Robert B: can you create a pond?

Lisa D: Thanks you so much for this verdant information!!!

Robert B: in the long term plant trees to shade certain areas.

Nancy F: Forum link for 1203 on homework on 1203 course page

Nancy F: Updated Syllabus on the 1203 course page within the last week.

Jenny P: Can someone type that link in?

Philip G: what was the title of the movie?

Lisa D: Please type the name of the video you are recommending because we did not get it.

Nancy F: A Thousand Suns

Jenny P: Thank you, Nancy! :-)

Philip G: thank you

Doretha S: Is there a link for this?

Nancy F: The link is on the course page as well under references and in syllabus.

jeanne-claire: Amen, thank you
