#### **Vision**

Decades ago, Djwal Kul shared the following vision for this course on page 106 of the book, *The Human Aura*, published by Summit University Press: “When we have concluded these studies and the souls of our chelas have become prototypes of the Christed One, then the Master El Morya will set forth his course on Advanced Studies of the Human Aura presently being given to certain initiates of the white fire attending classes in their finer bodies at the etheric Retreat of God’s Will in Darjeeling, India. As my own humble effort is toward the plane of the Christ, so that of the Lord of the First Ray will be toward the development of God Consciousness not only for the Aquarian Age but for all ages to come.”

#### **Objectives**

We will learn more about the human aura and also the divine aura of our Solar Presence so that when we accept its divinity and its radiance around us through this living, liquid crystal diamond light energy, we are raised up fully into our reality, our highest being. El Morya will release teachings on higher adeptship for the Aquarian Age vis-à-vis the aura. He will speak of new technologies of the Spirit that we can engage in as we draw forth the resource of our Presence and its light through our crystal cord to energize our chakras and to activate each spinning wheel of those chakras with a greater oil of sanctity and presence; of bringing to bear in our worlds and the worlds of our loved ones, our communities, our nations and the entire earth a greater magnanimity of the spirit because we are living in a new dimension of presence.

#### **Prerequisite Reading:**

- *Studies of the Human Aura* and *Intermediate Studies of the Human Aura*, originally published as separate books.

- Or the two books combined in a more recently published pocketbook, *The Human Aura* by Kuthumi and Djwal Kul, 1971: Summit University Press

In his HeartStream of December 26, 2009, Saint Germain said, "Even the Master Morya's desire to release his instruction on advanced studies of the human aura through Meru University is one that can cause a planetary shift in and of itself. Prepare and make yourselves ready by cleansing your auras, by studying again the first two volumes in this series released through our previous messengers, by taking to heart every word and making them applicable in your life. You can be a generating field, a crystalline prism of light for the master, such that when he releases his teaching, it can be rayed forth through your awareness to the souls of humanity, dearest ones."
